SF23 STUDENT-AID-INDEX format is X9(6)

- Position 1 is +, -, or X
- Positions 2 through 7 numeric, right justified, with leading zeros before the first significant digit

- +001500 = 1500
- -000300 = -300
- +000000 = 0
- X000000 = unknown/not reported

SG Student Special Populations Element Changes

- SG06 STUDENT-PUENTE-STATUS

Coding	Meaning
0	Not a Puente student
1	Puente student Student was enrolled in the cohort learning community course(s) for the reporting term.
~~2~~	~~Puente student who withdrew from the program during the reporting term~~ (Not valid beginning Summer 2025)
~~3~~	~~Puente student who was disqualified from the program during the reporting term~~ (Not valid beginning Summer 2025)
4	Phase 3 Puente student Student is a continuing Puente student who was enrolled at the college during the reporting term and/or receiving Puente services (Puente counseling, Puente Club, Puente events). Student was previously enrolled in the cohort and may or may not have passed the Puente courses.
5	Non-cohort Puente student Student has never been enrolled in a Puente learning community course (non-cohort student) but was enrolled at the college for the reporting term and received Puente services (activities, counseling, Puente Club, events, former Puente secondary student) and felt a sense of belonging in the Puente community.
Y	The school does not have a Puente program
	If a code of "Y" is reported for this data element, all of the records in the file must have a code of "Y". The data element cannot be self-reported; student participation in the program must be verified by the college.
