| <b>Coding</b>  |
| This is a numeric field with four digits, two before and two after the implied decimal point (accurate to the hundredths). The decimal point itself is <b>not</b> included in the field. |

|   |
|---|
| This element indicates the number of units in which a new or continuing EOPS student has registered as of the first day of the reporting term or on the date of acceptance into EOPS during the reporting term. The total number of units reported should be at least 9 units for students accepted as new to EOPS that term. This element will be used to determine the unduplicated student headcount for funding purposes. |
