Student Credit for Prior Learning Data Record

DOMAIN	RECORD	LENGTH
SY	**STUDENT CREDIT FOR PRIOR LEARNING DATA RECORD**	**55**
Reporting Domain		
The following record layout indicates the format in which the districts report information on student credit for prior learning assessed during the reporting term. One record is submitted for each combination of student and course for which a student was assessed for credit for prior learning during the reporting term.		
In cases where credit was awarded in general (not in relation to a specific course in the college course catalog), CB00 should be coded 'YYYYYYYYYYYY' and CB01 should be coded 'YYYYYYYYYYYY'		
The file with these records is submitted within one month following the end of the term. This record is 55 characters long and the first two positions contain the record code "SY".
