DED#	DATA ELEMENT NAME	FORMAT
<b>CB19</b>	<b>COURSE-CROSSWALK-CRS-DEPT-NAME</b>	<b>X(07)</b>

This element identifies the course department name reported to California State University (CSU) for all articulated and transferred courses. This element, when used in conjunction with element Course Crosswalk CRS Number (CB20), should be unique.

CODING

Report the department or subject area abbreviation such as "ENGL" (for English) or "SOC" (for Sociology). This element is just the name portion of the course name and number. When it is combined with the course number stored in element CB20 it should be a unique name and number for the course offering and should be identical to the Course Name and Number supplied to CSU for articulated transfer courses including IGETC and General Education Breadth Courses.

The name should be left justified.

If this is not an articulated transfer course enter "YYYYYYY".

NOTE: If CB05 is coded with "A" or "B", then CB19 MUST be coded with a CRS DEPT NAME. If CB05 is coded with "C", then CB19 MUST be coded with Y's. See CB20 for an additional integrity check.
