Student Success Data Elements

DED#	DATA ELEMENT NAME	FORMAT
SS01	**STUDENT-EDUCATIONAL-GOAL**	**X(01)**

This element describes the student's educational goal while enrolled in the reporting college and should be updated each term if the student notes a change during their academic career. This information is in addition to SB14 and is collected after that element has been recorded. The distinction between the elements is an important one: where SB14 records the <u>initial</u> goal of the student upon application, this element documents and confirms their current goal each term. After a student has reviewed assessment results, received orientation or other services which expand a student's understanding of the requirements necessary to achieve the goal, goal data is collected again and reported in STUDENT-SUCCESS-GOAL (SS01).

Enter primary goal only.
